C ... Am ... F ... Am

I got this **C** feeling inside my **Am** bones  
It goes **F** electric, wavey when I turn it **Am** on  
All through my **C** city, all through my **Am** home  
We're flying **F** up, no ceiling, when we in our **Am** zone

I got that **C** sunshine in my pocket  
Got that good **Am** soul in my feet  
I feel that **F** hot blood in my body when it **Am** drops  
I can't **C** take my eyes up off it, moving **Am** so phenomenally  
Room on **F** lock, the way we rock it, so don't **Am** stop

And under the **Bb** lights when everything **C** goes  
Nowhere to **Bb** hide when I'm getting you **C** close  
When we **Cm** move, well, you already **Bb** know  
So just ima**Fm**gine, just imagine, just imagine ... **Bb**

**N**othing I can see but you when you **Am** dance, dance, dance  
A **F** feeling good, good, creeping up on you  
So just **Am** dance, dance, dance, come on  
Al**C**l those things I shouldn't do  
But you **Am** dance, dance, dance  
And **F** ain't nobody leaving soon, so keep **Am** dancing  
I can't stop the **C** feeling  
So just **Am** dance, dance, dance  
I can't stop the **F** feeling  
So just **Am** dance, dance, dance, come on

**C**oooh, it's something magi**Am**cal  
It's in the **F** air, it's in my blood, it's rushing **Am** on  
I don't need no **C** reason, don't need con**Am**trol  
I fly so **F** high, no ceiling, when I'm in my **Am** zone

Cause I got that **C** sunshine in my pocket  
Got that good **Am** soul in my feet  
I feel that **F** hot blood in my body when it **Am** drops

I can't **C**take my eyes up off it, moving **Am**so phenomenally  
Room on **F**lock, the way we rock it, so don't **Am**stop

Under the **Bb**lights when everything **C**goes  
Nowhere to **Bb**hide when I'm getting you **C**close  
When we **Am**move, well, you already **Bb**know  
So just ima**Fm**gine, just imagine, just imagine ... **Bb**

**N**othing I can see but you when you **Am**dance, dance, dance  
**A** **F**feeling good, good, creeping up on you  
So just **Am**dance, dance, dance, come on

I can't stop the **C**feeling  
So just **Am**dance, dance, dance
